

Contacting the Main Street Square Board of Directors

The Board of Directors are your neighbors who volunteer their time and knowledge to help keep the Association running smoothly.

You are welcome to contact the BOD via e-mail for any **non-maintenance related issues** (All maintenance issues are to be reported to AMI directly).

The BOD is also responsible for the maintenance of the mssquare.org website. If you notice any problems with the website, please e-mail us at that above address.
