

## Main Street Square: Garbage & Recycling Collection

Regular collection of garbage and recycling occurs weekly on Wednesday's.

In the event a National holiday falls on a Monday, Tuesday or Wednesday, collection will be delayed until Thursday.

National holidays which will delay our collection are:

- New Years Day
- Memorial Day
- Independence Day
- Labor Day
- Christmas Day

The Board of Directors highly recommends the use of a trash can, preferably one with a lid. Additionally, the City of Royal Oak provides recycling bins which also come with a lid. Please utilize these receptacles and their lids to help prevent any potential rodents from garbage picking.

Trash may be placed outside your unit, behind your garage, at any time after 5:00 PM on Tuesday evening. Please do not place your trash out earlier than 5:00 PM. The Board of Directors reserves the right to assess an immediate fine of \$50 per violation, the Association does not wish to have rodents taking up residence in the community.
